### Get Hologram Overlay Sticker Sample

Our sample fee is 80 USD each, and it is for in-stock products. If it is customized, you need to inquire about the specific price. Moreover, we do not encourage buying only one sample, as the unit price will be relatively high. The regular minimum order quantity for this product is 50 pieces. You can better understand the characteristics of the sample through video, which is more cost-effective. Of course, if you only need one piece, you can directly purchase the sample.
